

TERRAMAC® RT9 SPECIALTY UNITS

Customizable Solutions

The Terramac® RT9 brings versatility to a new level with its ability to accommodate a wide variety of support equipment. From pipelines to mines to forestry and beyond the RT9 has the ability to improve your crew's efficiency. Terramac® will work with you to ensure proper engineering of your chosen attachment.

The RT9 is an all-terrain utility vehicle that is easily maneuvered over rough, soft and steep ground conditions. Wherever your job site may be, whatever attachment you may need, the RT9 will lead the way.
